Subject: Technical Regulation for the Biodegradable Plastic Products

## Circular to all Customs brokers

In reference to the circular of the Customs Director number 499/34/M dated 07/10/1938H (01/07/2017) regarding the implementation of the Technical Regulation for the Biodegradable Plastic Products number M.A.156-16-03-03 that was approved by the Saudi Standards, Metrology and Quality Organization (SASO), we would be pleased if you could inform your customers that starting from 24/3/1439H (12.12.2017), the listed plastic products including the plastic used to pack the other shipments (see the attached list of concerned HS code) without the Biodegradable logo will be banned (see attached photo) from importation. Customers (exporters) must get a licence from SASO to use the logo and attach an undertaking letter (Customs Bayan) from importers to comply with the Technical Regulation for the Biodegradable Plastic Products on the future shipments as per the attachment (enclosed copy of the undertaking letter\_ Arabic)
